Save the Date!

September 10, 2016 Fox Mill's 6th Annual 5K & 1-Mile Color Run/Walk in honor and memory of: Cameron Pepera

Titans, mark your calendars for the 6th annual Fox Mill 5K & 1-Mile Color Run/Walk on September 10, 2016. Set in the beautiful trails of Fox Mill, this year's race will honor a very special 7th grade Titan and Fox Mill resident, Cameron Pepera. Cameron, son of Kevin & Judy Pepera and brother to Paige, passed away suddenly on September 2,

2015. Cameron was a Titan Cross Country team member, a Tae Kwon Do black belt, and an avid Ohio State Buckeyes fan.

In keeping with the theme of giving back to our community, all proceeds from this year's race will benefit the Cameron K. Pepera Memorial Scholarship Fund. Recipients will be chosen from our local area schools.

Additional race details to become available soon. If you are interested in volunteering to help with this event, please contact Beth Ites (elizabeth.ites@gmail.com); to inquire about sponsorship opportunities, e-mail info@fox-mill.com.

It is sure to be an amazing day to honor and remember a great young man. We look forward to seeing you there!

Important Reminders from the School Nurse:

Do not forget to pick up all medications by the last day of school. Those medicines not picked up by an adult by May 27th, will be disposed of. No medication will be released to the students unless a previously signed Self Administration form is on file. All medication orders must be renewed each school year. Forms are available on the district web site under "Parents", then "forms" or by contacting the health office.

The health office is closed during the summer months. I will return for limited hours beginning in August. Please contact me if there are new medical concerns for your child. Appointments for the required 6th grade and 9th grade physicals tend to fill up quickly and should be scheduled now! Please submit the completed physicals to the respective schools as they are done.

Incoming 6th Grade State Requirements:

State legislation requires that all Illinois children in Sixth Grade will have a dental examination. A licensed dentist must perform the examination, and he or she shall sign the form available online at www.d303.org under Parents, then "forms" or from your school health office. Each child must present proof of a dental examination by a dentist prior to **May 15, 2016**.

The Illinois Department of Public Health has established a waiver for children who show undue burden or lack of access to a dentist. Parents or legal guardians who object to the dental examinations on religious grounds shall present to the school a signed, detailed statement of the objection.

- The deadline is quickly approaching! Please submit this if you have not already done so.
- If you have any questions, please contact: Diane Isbrandt RN, PEL-CSN, Thompson Middle School, 331-228-3404.
