School is closed on Monday, May 25, 2015 in observance of Memorial Day.

Notes from the Nurse:

Do not forget to pick up all medications by the last day of school. Those medicines not picked up by an adult by June 4th, will be disposed of. No medication will be released to the students unless a previously signed self-administration form is on file. All medication orders must be renewed each school year. Forms are available on the district web site under "Parents", then "forms" or by contacting the health office.

The health office is closed during the summer months. I will return for limited hours beginning in August. Please contact me if there are new medical concerns for your child. Appointments for the required 6th grade and 9th grade physicals tend to fill up quickly and should be scheduled now! Please submit the completed physicals to the respective schools as they are done.

Have a healthy summer!
